

Dear Parents/ Caregivers.

Thank you for your support with this year's Mini Moto Challenge. Your son has successfully completed his Mini Bike.

To complete the challenge your son will be entering the Secondary Schools Mini Moto G.P. at Manfeild Race Way Feilding on the 20<sup>st</sup> and 21<sup>nd</sup> of October.

The event has become national this year with 20 schools entering riders. This event is the high point of the year. The Tools4Work Moderators will be in attendance watching your sons Mini Bike operate, so we hope for a successful event.

The sponsorship of the event has been excellent with both local and national firms pledging support. Aaron Slight the New Zealand Super Bike Champion will be attending to present prizes on Wednesday the 21<sup>st</sup> of October.

I would like to also use this opportunity to remind everyone of the safety equipment required on race day. If you need further direction or advice on this matter please contact me at school.

While every precaution will be taken to ensure the safety of everyone involved during the competition, everyone taking part needs to realise that motor sport, like any other sport can be dangerous. All competitors will take part in this event at their own risk. The School and the organisers cannot be held responsible for any accidents or injuries obtained at the event. But no safety gear means no riding in the event.

We are confident that we will have a very enjoyable two days.

Roger Emmerson Tic Engineering.

I give permission for \_\_\_\_\_ to take part in the New Zealand Secondary Schools Mini Moto Grand Prix. I understand that Motor Sport can be dangerous and that Feilding High School and the organisers cannot guarantee safety and accept no responsibility for any injuries obtained by my child on the 20<sup>th</sup> and 21<sup>st</sup> of October 2009.

Signed.
