24<sup>th</sup> March 2010

Greetings to all Old Pupils

Let us make March 2011 the year of our school. 90 years since it all first began. Plans are well underway to make this a great event. The Committee has been working very hard to make sure that everything runs smoothly. Most of all we want this to be a most memorable occasion.

Communication is the key to making this a successful reunion. While we have a captive market in our Life Members, there is a lot who do not receive the newsletters. I encourage you all to contact old school friends and tell them to make the effort and come to the 90<sup>th</sup> celebration.

The format of the celebration will be listed in the Newsletter to be sent in September 2010.

I hope this message finds you all hale and hearty, and as excited as the committee.

See you all – **11 – 14 March 2011 to celebrate 90 years of Feilding Ag**
