

FEILDING AGRICULTURAL HIGH SCHOOL

OLD PUPILS ASSOCIATION

The Old Pupils' Association was formed in 1923 with the "aims of keeping up old friendships of school days, at keeping members in touch with the School, and at maintaining their interest in the School."

Commemoration is the time when many Old Pupils keep in touch with School. Members from far and wide attend the Jubilee occasions, while local re-unions throughout parts of the country attract many others.

The annual Newsletter carries news of School activities, members 'where-about's', achievements and other 'happenings'.

The Newsletter is sent to many places throughout the world.

Friendships have been maintained, made or renewed over many years through the Old Pupils' Association.

WHY NOT JOIN US NOW?
